**Booking conditions**

Any telephone or email booking will be provisional until a booking form plus fees have been received by Wembley sailing club, and confirmation of the dates booked given.

Refunds are not payable in the event of a cancellation by the trainee within 4 weeks of the start of the course, unless a replacement can be found, then full refund.

On your confirmation of your booking we also book your instructor, so changing to a later course within two weeks of the start of your course is only possible providing we can get a replacement booking.

As the Harp Sailing School is a RYA training centre then the instruction, safety guidelines and all equipment used by the sailing school conforms to the requirements of the RYA.

In the interests of safety, the schools representatives have absolute discretion over boating activities, having regard to the weather conditions, equipment available and their assessment of the trainee's ability.

All facilities are offered subject to availability. The sailing school does not accept responsibility for any delays or changes to the arrangements nor for any cancellation due to circumstances outside the school's control, including adverse weather conditions, nor any liability for personal property.

If a course is cancelled due to adverse weather conditions trainees will be offered places on a subsequent course.
